# CONSTITUTION.

## ARTICLE I.

This society shall be called the Boston Art Students' Association, and its objects shall be:—

*First.* To supplement the academic training of the School of Drawing and Painting at the Museum of Fine Arts.

*Second.* To assist its members in their artistic career.

*Third.* To cultivate a spirit of fraternity among art students.

## ARTICLE II.

The Board of Government shall be a President, a Vice-President, a Secretary, a Treasurer, and an Executive Committee. This latter committee shall consist of not less than five members, and may be increased as the needs of the Association demand. They shall be elected at the annual meeting of the Association, and shall hold office until their successors are chosen.

## ARTICLE III.

The President shall preside at all meetings of the Association and of the Board of Government. In the absence of the President, the Vice-President shall perform his duties. If the President and the Vice-President shall both be absent from any meeting, the members present shall choose a presiding officer. The duty of the Secretary shall be to conduct the correspondence, keep the records, and issue the notices of the Association. The Treasurer shall keep the funds of the Association, collect all dues, pay all bills approved by the President or Vice-President, and shall submit an annual report of the financial condition of the Association, and of all moneys received and disbursed during the year. The Executive Committee shall attend to such duties in connection with meetings, exhibitions, and other work of the Association, as are not specially provided for.

## ARTICLE IV.

Any person shall be eligible to membership who is, or has been, a student in the School of Drawing and Painting at the Museum of Fine Arts. Names of candidates for admission shall be submitted to a vote of the Association, after having been posted by the Secretary at least one week before the meeting. Five negative votes shall exclude a candidate. The votes of absent members shall be received on written proxies only.

## ARTICLE V.

This Constitution may be amended or repealed at any regular meeting of the Association by a three-fourths vote of the members present; notice of the general nature of such amendment or repeal having been given at least one month before.

## ARTICLE VI.

The annual meeting for the election of officers, admission of members, and the transaction of any other business that may come before the Association shall be held on the third Saturday in March, or such other day as the Board of Government may see fit to appoint. In addition to the annual meeting, a meeting shall be held on the third Saturday in November, or such other day as the Board of Government may see fit to appoint, at which members may also be admitted, and the President shall be authorized to call a special meeting upon the written request of any five members.

## ARTICLE VII.

Twenty members shall constitute a quorum for the transaction of business.

## ARTICLE VIII.

Each member shall pay an entrance fee of ~~one~~ <sup>two</sup> dollar, and a subscription of one dollar for each succeeding year shall be payable at or before the annual meeting.

But the payment of twenty-five dollars shall entitle the member paying it to a life membership, and he shall thereafter be exempt from all assessments. The sum may, if preferred, be paid in annual instalments of five dollars. Members studying art in Europe shall not be assessed for their annual subscription.

#### ARTICLE IX.

A month before the annual meeting, notice shall be sent to all members who shall not have paid their subscription for the previous year, and the names of those whose subscriptions are still unpaid shall be read at the annual meeting and dropped from the list of members. But, upon the payment of all arrears, they may be restored to membership by the Board of Government.

#### ARTICLE X.

Any member who shall be guilty of improper conduct, calculated to bring the Association into disrepute, may be expelled from membership by a two-thirds vote of the members present at any regular meeting; no member shall be expelled, however, until he shall have had notice of such intention on the part of the Association, and has been given an opportunity of being heard in his own defence.

#### ARTICLE XI.

The committee in charge of the School of Drawing and Painting and the instructors in it shall be honorary members of this Association.

## ARTICLE XII.

If the funds in the hands of the Treasurer at the close of the year, after deducting all expenses, shall have reached one hundred dollars, the said sum shall be paid to the committee in charge of the School of Drawing and Painting, to be used as the Association shall direct.

## ARTICLE XIII.

The Board of Government shall have power to fill any vacancies which may occur among the officers of the Association.

## ARTICLE XIV.

The Board of Government shall constitute a committee of selection to which all pictures contributed for exhibition shall be submitted, and they shall decide what works shall be accepted and what rejected.

## ARTICLE XV.

The Board of Government shall be authorized to make such special rules and regulations in relation to meetings and exhibitions as may be found necessary in the discharge of their duties.
